### Are you currently a member/involved with other non-profit organizations? If Yes, please list them below:

- Yes, SGA Youth & Family Services

### What volunteer experience do you have?

- I have volunteered for different activities and events with my employer (SGA). For example, I assist with our annual fundraising benefit, I have managed a staff fundraising campaign for 4 years, and I serve on various committees. During my time as an undergraduate student at UIC, I was a UIC Ambassador; I held 4 leadership positions in 5 years with the New Life Volunteering Society (NLVS) and was also a tutor for CPS students for 5 years; I assisted with Move-In Crew, and I volunteered time at the Institute for Juvenile Research.

### What contributions would you make as an Associate Board Member for Dreams for Kids?

- I would be willing to contribute time and efforts to fundraising, assisting with various events, or helping in general around the office. Whatever is needed to get done, I would be willing to step in and help.

### Why are you interested in serving as a member for the Dreams for Kids Associate Board?

- I am interested in serving on the Dreams for Kids Associate Board because I am seeking a way to get intimately involved with another nonprofit organization in Chicago. I am interested in learning more about the organization, as well as the reach of DFK across the city. I have not had a lasting volunteer commitment in the past few years, so I am looking to commit myself to an organization for the foreseeable future. I am inspired by the mission of "changing the world one person at a time" - as the intent with my life is to "change the world one child at a time." I was given your book by a former colleague, and have found it uplifting and inspiring. While I also work for a nonprofit, I am interested in meeting new people, joining an organization that I could grow with, and learning of new opportunities and ways to give back. I am interested in DFK because of all that you offer.
