### What volunteer experience do you have?

- I have been involved with multiple events through my local Chamber of Commerce as well as volunteered at my local church for children's summer camps and festivals. Also to add, I am an Aunt to eight wonderful, amazing and intelligent children, they are my life and I treat them as if they are my own.

### What contributions would you make as an Associate Board Member for Dreams for Kids?

- Children in our day and age have a bigger advantage to succeed than what we had growing up, they are the future leaders of our country and have greater opportunities to achieve greatness. Dreams for Kids is about growing children through leadership and social entrepreneurship. I worked for over a decade in corporate America before deciding to take the plunge and start my own business. One year later, I am going strong after many uphill battles and struggles. I have learned and grown for my venture and I strongly believe the lessons I've learned, can help the future leaders of our country.

### Why are you interested in serving as a member for the Dreams for Kids Associate Board?

- I am interested in assisting the organization with fundraising efforts as well as governance. As well as helping create new programs and initiatives to help grown not only the organization but the children as well.
