Are you currently a member/involved with other non-profit organizations? If Yes, please list them below:

- Yes, Buddy Baseball

What volunteer experience do you have?

- - My family and I went down to New Orleans in collaboration with Habitat for Humanity and Solid Rock Carpenters post-Katrina - I volunteer with Buddy Baseball which is an organization that centers around playing baseball with children who have disabilities of any kind - I volunteered and helped out with DFK's WATC Conference this past April and have continued to mentor/communicate with the children

What contributions would you make as an Associate Board Member for Dreams for Kids?

- I would be a young, enthusiastic, and experienced voice. Every board needs young members to breed creativity, enthusiasm to keep the work fun, and experience in the field to ensure that events/meetings run as planned. I believe that I would be able to bring all of this to the table and more.

Why are you interested in serving as a member for the Dreams for Kids Associate Board?

- I have volunteered at events such as the "We Are The Change Conference" and "Extreme Recess" and love what the organization does and stands for. From a volunteering standpoint, everything looks very smooth and coordinated. I'd love to be a part of the team to see how all of these wonderful events come together behind the scenes.
